

Peters Township Education Foundation

The Peters Township Education Foundation is accepting applications from Peters Township School District staff members for projects, programs, or materials designed to promote the education of students within the District. If you have questions about the Foundation or about the grant process, please contact Matt Cheran at 724-941-2688 x4251 or at cheranm@pt-sd.org for more information.

GEO Grant applications will be reviewed by the Foundation’s Board of Directors and will be awarded in January of each calendar year.

To submit your GEO Grant, please complete the application below before **January 4, 2024 at 4 p.m.** Applications should all be submitted to Mr. Cheran via interoffice mail to the Middle School.

The Foundation will now accept applications throughout the school year. Awards will only be granted each January, but staff members may submit applications throughout the school year and summer break for consideration. We recognize that writing a quality grant is a time consuming process and we want to allow flexibility for the staff.

Please submit your completed proposal in a sealed envelope with “GEO Grant” on the front. Review of proposals will be conducted by the Board of Directors using a blind review process.

PLEASE NOTE: Please note that technology requests must have additional sign-off from the Technology Department prior to submission. Please be sure to allow sufficient time to complete this step before the due date.
